\*The RITA Matrix Chart was designed to determine proper residence city tax based on workplace withholding data. Example: an individual lives in the City of Pepper Pike and works in a .01 municipality. According to the RITA Matrix Chart the individual would owe .005 to the City of Pepper Pike due to the reduced tax credit. Please note, every resident of a RITA municipality with taxable income is required to file an annual municipal income tax return. This Matrix Chart is intended to be used as a tool in determining effective tax rates, estimating tax payments and checking tax calculations for RITA residents. Please be advised that this chart is subject to change, contact RITA @ 800.860.7482 for verification of tax calculation.
