*The RITA Matrix Chart was designed to determine residence city tax based on proper workplace withholding. Example: an individual lives in the City of Pepper Pike and works in a .01 municipality. According to the RITA Matrix Chart the individual would owe .005 to the City of Pepper Pike due to the reduced tax credit. Please note, every resident of a RITA municipality with taxable income is required to file an annual municipal income tax return. This RITA Matrix Chart is intended to be used as a tool in determining effective tax rates, estimating tax payments and checking tax calculations for RITA residents. Please contact RITA for verification of tax calculation. **PLEASE NOTE THIS CHART IS SUBJECT TO CHANGE WITHOUT NOTICE.**

RITA Residence-Workplace Matrix- 2004/2005 Tax Year
