Subject to the provisions of Section 193.35, an annual tax for the purposes specified in Section 193.01 hereof shall be imposed on and after January 1, 2011, at the rate of two percent per annum upon the following:

(a) On all compensation and on net profits from the operation of a business earned during the effective period of this chapter by a resident.

(b) On all qualifying wages earned or received by a nonresident for work done or services performed or rendered in the City, and on net profits earned or received by a nonresident from the operation or conduct of business in the City. Where a nonresident is employed at a place of business in the City, the qualifying wages of such nonresident for the performance of employee services will be treated as earned outside the City only for those services which of necessity, as distinguished from convenience, obligate such nonresident to duties outside the City in the service of the nonresident's employer.

(c) On a resident owner's distributive share of the net profits of a pass-through entity earned during the effective period of this chapter from business conducted by the pass-through entity regardless of where such business is conducted, subject to the relief and reciprocity provisions of Section 193.35.

(d) On a nonresident owner's distributive share of the net profits of a pass-through entity attributable to the City and earned during the effective period of this chapter from business conducted in the City, whether or not such pass-through entity has an office or place of business in the City.

(e) On the portion attributable to the City of the net profits earned during the effective period of this chapter of a corporation derived from business conducted in the City, whether or not such corporation has an office or place of business in the City. (f) On all income derived or received from prizes, awards, gaming, wagering, schemes of chance or lotteries, including the Ohio State Lottery, on and after February 1, 2004, by residents of the City. Income derived or received from gaming, wagering, schemes of chance or lotteries, including the Ohio State Lottery, shall not be taxed as business income unless the individual subject to the tax has a federal gambler's permit effective during the tax year in which the income from such activities is received.

(g) On all income derived or received from prizes, awards, gaming, wagering, schemes of chance or lotteries, including the Ohio State Lottery, on and after February 1, 2004, by nonresidents of the City for lottery tickets purchased, or participation in gaming, wagering, schemes of chance, or lotteries conducted, within the City. Income earned or derived from gaming, wagering, schemes of chance or lotteries, including the Ohio State Lottery, shall not be taxed as business income unless the individual subject to the tax has a federal

gambler's permit effective during the tax year in which the income from such activities is received.

(h) Deductions of Employee Business Expenses. If a taxpayer's taxable income for a taxable year includes income against which the taxpayer has taken a deduction for Federal income tax purposes reported on Form 2106 and attached to the taxpayer's Federal income tax return filed for that taxable year, the taxpayer may be allowed to determine his or her taxable income to the City by deducting the same amount deducted for Federal income tax purposes. If the taxpayer claims such a deduction, the taxpayer shall attach to his or her City income tax return a copy of Form 2106 and Schedule A as filed with the taxpayer's Federal income tax return for that taxable year. The total of such expenses deducted pursuant to this Section 193.03(g) cannot exceed the employee's related W-2 wage income from the same employer.

(i) The City income tax imposed by Section 193.03(d) shall be collected and remitted pursuant to Section 193.17(l).
(Ord. 2010-101. Passed 7-27-10.)

(Ord. 2005-60. Passed 6-6-05.)

193.05 METHOD OF DETERMINATION.

The portion of the net profits attributable to the City of a taxpayer conducting business both within and without the boundaries of the City shall be determined as provided in Ohio Revised Code Section 718.02, including any amendments or successor provisions thereto, and in accordance with rules and regulations adopted by the Administrator pursuant to this chapter. Pursuant to Ohio Revised Code Section 718.02, net profits from a business or profession conducted both within and without the boundaries of the City shall be considered as having a taxable situs in the City in the same proportion as the average ratio of:

(a) The average original cost of the real and tangible personal property owned or used by the taxpayer in the business in the City during the taxable period to the average original cost of all of the real and tangible personal property owned or used by the taxpayer in the business during the same period, wherever situated. Real property shall include property rented or leased by the taxpayer and the value of such property shall be determined by multiplying the annual rental thereon by eight.

(b) Wages, salaries, and other taxable income paid during the taxable period to persons employed in the business for services performed in the City (including all qualifying wages subject to tax under Section 193.03(b)) to wages, salaries, and other taxable income paid during the same period to persons employed in the business, wherever their services are performed, excluding compensation that is not taxable by the City under Ohio Revised Code Section 718.011 and Section 193.10(k) of this chapter.

(c) Gross receipts of the business from sales made and services performed during the taxable period in the City to gross receipts of the business during the same period from sales and services, wherever made or performed.

In the event an equitable result cannot be obtained under the apportionment formula provided for in this Section 193.05, the Administrator shall have the authority to substitute other factors or methods of apportionment calculated to produce an equitable result.

(Ord. 2005-60. Passed 6-6-05.)

193.06 SALES MADE IN THE CITY.

As used in subsection (c) of Section 193.05, "sales made in the City" means:

(a) All sales of tangible personal property which is delivered within the City, regardless of where title passes, if shipped or delivered from a stock of goods within the City.

(b) All sales of tangible personal property which is delivered within the City, regardless of where title passes, even though transported from a point outside the City, if the taxpayer is regularly engaged through its own employees in the solicitation or promotion of sales within the City and the sales result from such solicitation or promotion.

(c) All sales of tangible personal property which is shipped from a place within the City to purchasers outside the City, regardless of where title passes, if the taxpayer is not, through its own employees, regularly engaged in the solicitation or promotion of sales at the place where delivery is made.

(Ord. 2005-60. Passed 6-6-05.)

193.07 TOTAL ALLOCATION.

Add together the percentages determined in accordance with subsections (a), (b) and (c) of Section 193.05 or such of the aforesaid percentages as are applicable to the particular taxpayer and divide the total so obtained by the number of percentages used in deriving such total, in order to obtain the business allocation percentage referred to in Section 193.05.

A factor is applicable even though it may be allocable entirely in or outside the City.

(Ord. 2005-60. Passed 6-6-05.)

193.08 RENTALS.

Rental income received by a taxpayer shall be included in the computation of net profits only if and to the extent that the rental ownership, management or operations of the real estate from which such rentals are derived (whether so rented, managed or operated by a taxpayer individually or through agents or other representatives) constitutes a business activity of the taxpayer in whole or in part. Where the gross monthly rental of any and all real properties, regardless of number and value, aggregates in excess of two hundred fifty dollars (\$250.00) per month, it shall be prima-facie evidence that the rental ownership, management or operation of such properties is a business activity of such taxpayer, and the net income of such rental property shall be subject to tax; provided that in the case of commercial property, the owner shall be considered engaged in a business activity when the rental is based on a fixed or fluctuating percentage of gross or net sales, receipts or profits of the lessee, whether or not such rental exceeds two hundred fifty dollars (\$250.00) per month; provided, further, that in the case of farm property, the owner shall be considered engaged in a business activity when he shares in crops or when the rental is based on a percentage of the gross or net receipts derived from the farm, whether or not the gross income exceeds two hundred fifty dollars (\$250.00) per month; and provided, further, that the person who operates a licensed rooming house shall be considered in business whether or not the gross income exceeds two hundred fifty dollars (\$250.00) per month.

(Ord. 2005-60. Passed 6-6-05.)

193.09 OPERATING LOSS-CARRY FORWARD.

(a) The portion of a net operating loss sustained in any taxable year subsequent to January 4, 1967, allocable to the City may be applied against the portion of the net profit of the taxpayer for succeeding tax years allocable to the City until exhausted, but in no event for more than five taxable years immediately following the year in which the loss occurred. No portion of a net operating loss shall be carried back against net profits of any prior year.

(b) The portion of net operating loss sustained shall be allocated to the City in the same manner as provided herein for allocating net profits to the City.

(c) Net operating losses may not be combined with qualifying wages.

(d) The Administrator shall provide by rules and regulations the manner in which such net operating loss carry-forward shall be determined.

(i) Gains from involuntary conversions, cancellation of indebtedness, interest on Federal obligations, items of income already taxed by the State of Ohio from which the City is specifically prohibited from taxing, and income of a decedent's estate during the period of administration (except such income from the operation of a business).

(j) An S corporation shareholder's distributive share of net profits or losses of the S corporation, except to the extent that the distributive share of net profits represents wages as defined in Section 3121(a) of the Internal Revenue Code or

(o) Generally the above noted items in this Section 193.10 are the only forms of income not subject to the tax imposed by this chapter. Any other income, economic benefit or other form of compensation earned or received by a taxpayer shall be subject to the tax imposed by this chapter.
(Ord. 2005-60. Passed 6-6-05.)

193.11 WHEN RETURN REQUIRED TO BE MADE.

Each taxpayer having income subject to tax under this chapter shall, whether or not a tax be due thereon, make and file a return on or before the fifteenth (15th) day of the fourth (4th) month following the end of the taxpayer's taxable year. All taxpayers who owe City income tax must file a City income tax return regardless of whether their entire City income tax obligation has been withheld and paid by their respective employers or by a pass-through entity; provided, however, that the return of an employer or employers that shows the amount of City income tax deducted by the employer or employers from the compensation of a nonresident employee and paid by the employer or employers to the Administrator shall be accepted as the City income tax return required of any

such employee whose sole income subject to City income tax consists of such compensation.

(Ord. 2005-60. Passed 6-6-05.)

(a) The aggregate amounts of compensation and other taxable income earned or received by the taxpayer, and/or the gross income from the taxpayer's operation of a business less allowable expenses incurred in the acquisition of such gross income earned during the taxpayer's taxable year and subject to City income tax;

(b) The amount of tax imposed by this chapter on such compensation, net profits and other taxable income;

(c) Any credits to which the taxpayer may be entitled under the provisions of Sections 193.17, 193.21 and 193.35; and

(d) Such other pertinent statements, returns or other information as the Administrator may require.

(Ord. 2005-60. Passed 6-6-05.)

193.13 EXTENSION OF TIME FOR FILING RETURNS.

(a) Any taxpayer that has requested an extension for filing a Federal income tax return may request an extension for the filing of the City income tax return for the same taxable year by filing a copy of the taxpayer's Federal extension request for such taxable year with the Administrator. Any taxpayer not required to file a Federal income tax return may make a written request for an extension to file a City income tax return. The request for extension must be filed on or before the original due date for the City income tax return, as set forth in Section 193.11. If the request is granted, the extended due date of the City income tax return shall be the last day of the month following the month to which the due date of the taxpayer's Federal income tax return for the same taxable year has been extended. For taxable years beginning on or after January 1, 2005, a taxpayer who is subject to City income tax on its net profits and who receives an extension for filing the Federal income tax return will receive an extension for filing the City income tax return for the same taxable year by filing a notice of such extension through the Ohio business gateway in compliance with Ohio Revised Code Section 718.051(B), including any amendments or successor provisions thereto, but such taxpayer must pay any City income tax owed by the

unextended due date for filing the City income tax return, as provided in Section 193.16.

(b) The Administrator may deny a taxpayer's request for an extension of the due date to file the City income tax return if the taxpayer:

- (1) Fails to timely file the request;
- (2) Fails to file a copy of the Federal extension request, if applicable;
- (3) Owes the City any delinquent income tax, penalty, interest or other charge for the late payment or nonpayment of City income tax; or
- (4) Has failed to file any required City income tax return, report, or other related document for a prior taxable year.

(c) The granting of an extension of the due date for filing a City income tax return does not extend the due date as provided in Sections 193.11 and 193.16 for payment of the tax; hence, penalty and interest may apply to any unpaid City income tax during the period of extension at the rate set out by Sections 193.24 and 193.25. No penalty shall be assessed in those cases in which the City income tax return is filed and the final tax paid within the extended period for filing such return provided all other filing and payment requirements of this chapter have been met. The Administrator shall grant any extension of the due date for filing the City income tax return upon the condition that all City income tax declaration filing and payment requirements have been fulfilled; however, if, upon further examination it then becomes evident that such declaration filing and payment requirements have not been fulfilled, penalty and interest may be assessed in full and in the same manner as though no extension of the due date for filing the City income tax return had been granted.

(Ord. 2005-60. Passed 6-6-05.)

193.14 CONSOLIDATED RETURNS.

(a) The Administrator shall accept for filing a consolidated return from an affiliated group of corporations subject to the tax imposed by this chapter if the affiliated group filed for the same taxable year a consolidated return for Federal income tax purposes pursuant to Section 1501 of the Internal Revenue Code. Only corporations subject to the tax imposed by this chapter may be included in such consolidated City income tax return. If an affiliated group of corporations subject to the tax imposed by this chapter files a consolidated return in accordance with this Section 193.14(a) for any taxable year, the affiliated group must file a consolidated return for each succeeding taxable year in which it files a consolidated return for Federal income tax purposes unless, on or before the due date (taking into account extensions of time properly granted) of the return for a

taxable year, the affiliated group obtains the permission of the Administrator to cease filing a consolidated return for that year.

(b) In the case of a corporation that carried on transactions with its stockholders or with other corporations related by stock ownership, interlocking directorates or some other method, or in case any person operates a division, branch, factory, office, laboratory or activity within the City constituting a portion only of its total business, the Administrator shall require such additional information as he may deem necessary to ascertain whether net profits are properly allocated to the City. If the Administrator finds that net profits are not properly allocated to the City by reason of transactions with stockholders or with other corporations related by stock ownership, interlocking directorates or transactions with such division, branch, factory, office, laboratory or activity or by some other method, he shall make such allocation as he deems appropriate to produce a fair and proper allocation of net profits to the City.

(Ord. 2005-60. Passed 6-6-05.)

193.15 AMENDED RETURNS.

(a) Where necessary, an amended return must be filed in order to report additional income and pay any additional tax due, or claim a refund of tax overpaid, subject to the requirements, limitations, or both, contained in Sections 193.31, 193.32, 193.33 and 193.35. Such amended return shall be on a form obtainable on request from the Administrator. A taxpayer may not change the method of accounting or apportionment of net profits after the due date for filing the original return.

(b) Subject to the limitation on the period for assessment of City income tax and claims for refund thereof prescribed by Ohio Revised Code Section 718.12, including any amendments or successor provisions thereto, within three months from the final determination of any Federal tax liability affecting the taxpayer's City tax liability, such taxpayer shall make and file an amended City income tax return showing income subject to the City tax based upon such final determination of Federal tax liability and pay any additional tax shown due thereon or make claim for refund of any overpayment.

(Ord. 2005-60. Passed 6-6-05.)

193.16 PAYMENT OF TAX ON FILING OF RETURN.

(a) The taxpayer making a City income tax return shall, at the time of the filing thereof, pay to the Administrator the amount of taxes shown as due thereon; provided, however, that where any portion of the tax so due has been deducted at the source pursuant to the provisions of Section 193.17, or where any portion of such tax has been paid by the taxpayer pursuant to the provisions of Section 193.21, or whether an income tax has been paid on the same income to a taxing municipality, credit for the amount so deducted or paid, or credit to the

extent provided for in Section 193.35, shall be deducted from the amount shown to be due and only the balance, if any, shall be due and payable at the time of filing such City income tax return.

(b) A taxpayer who has overpaid the amount of tax to which the City is entitled under the provisions of this chapter may have such overpayment applied against any subsequent liability hereunder or, at his election, indicated on the return, such overpayment (or part thereof) shall be refunded, provided that no additional taxes or refunds of less than one dollar (\$1.00) shall be collected or refunded.

(Ord. 2005-60. Passed 6-6-05.)

193.17 COLLECTION AT SOURCE.

(a) In accordance with rules and regulations prescribed by the Administrator, each employer within or doing business within the City shall deduct at the time of the payment of compensation City income tax at the rate set forth in Section 193.03 from such compensation and shall, on or before the last day of the month following the close of each calendar quarter, make a return and pay to the Administrator the amount of taxes so deducted, subject to the provisions of subsections (c), (d) and (e) hereof. Such returns shall be on a form or forms prescribed by or acceptable to the Administrator and shall be subject to the rules and regulations prescribed therefor by the Administrator. Such employer shall be liable for the payment of the tax required to be deducted and withheld, whether or not such taxes have in fact been withheld.

(b) Such employer in collecting such tax shall be deemed to hold the same, until payment is made by such employer to the City, as a trustee for the benefit of the City, and any such tax collected by such employer from his employees shall, until the same is paid to the City, be deemed a trust fund in the hands of such employer.

(c) Such employer who deducts City income tax in an amount of one hundred dollars (\$100.00) or more in the first or second month of a calendar quarter shall, on or before the twentieth day of the following month, pay to the Administrator the amount of taxes so deducted.

(d) Notwithstanding anything in subsection (c) hereof to the contrary, such employer who makes payments described in subsection (c) on a monthly basis for the first two months of a calendar quarter shall pay such tax deducted for the third month of a calendar quarter at the regular time for filing the employer's quarterly return of City income tax withheld.

(e) Such payments of City income tax withheld from the compensation of employees shall be on a form or forms furnished by or obtainable from the

Administrator upon request, setting forth the amount of tax deducted for the month.

(f) For taxable years beginning on or after January 1, 2007, any employer subject to this Section 193.17 may use the Ohio business gateway both to report the amount of City income tax withheld from compensation and to remit such amounts.

(g) An employer is not required to make any withholding with respect to an individual's disqualifying disposition of an incentive stock option if, at the time of the disqualifying disposition, the individual is not an employee of the corporation with respect to whose stock the option has been issued.

(h) An employee is not relieved from liability for City income tax by the failure of the employer to withhold the tax as required by this Section 193.17 or by the employer's exemption from the requirement to withhold City income tax.

(i) The failure of an employer to remit the City income tax withheld relieves the employee from liability for that tax unless the employee colluded with the employer in connection with the failure to remit the City income tax withheld.

(j) On or before each January 31, each employer subject to the provisions of this Section 193.17 shall file with the Administrator an information return for each employee from whom City income tax has been or should have been withheld, showing the name, address and Social Security number of the employee, the total amount of compensation paid during the year to such employee and the amount of City income tax withheld from such employee and shall provide a copy of such information return to the employee.

(k) On or before each January 31, any person, business or other entity who contracts or otherwise engages another person, business or other entity to perform services or conduct business activities in the City for remuneration in any form, including, but not limited to, the sale of real estate, the sale of insurance, construction, transportation or other contract or subcontract services, shall file with the Administrator an information return, which shall include the proper name, address, Federal identification number and the amount of such remuneration paid during the prior calendar year to such person, business or other entity.

(l) Except as otherwise provided in this Section 193.17(l):

(1) A pass-through entity that conducts business within the City and that has a nonresident owner must:

A. Withhold City income tax at the rate specified in Section 193.03 on the nonresident owner's distributive share of the pass-through entity's net profits attributable to the City; and

B. Remit such tax to the City by the applicable dates provided in Sections 193.19 and 193.21.

A pass-through entity subject to this Section 193.17(l) that fails to collect or remit City income tax as provided in this Section 193.17(l) shall be liable for the tax that it should have withheld or remitted and shall be subject to the interest and penalty provisions of Sections 193.24 and 193.25. The nonresident owner shall receive a credit against its City income tax liability in the amount of City income tax so withheld by the pass-through entity. All claims for refund of City income tax withheld by a pass-through entity pursuant to this Section 193.17(l) must be made by the nonresident owner within the period set forth in Section 193.32.

(2) A pass-through entity is not required to withhold and remit City income tax to the extent that its nonresident owners both:

A. File City income tax returns and declarations as provided in Sections 193.11, 193.19 and 193.21, respectively, that report their distributive shares of the pass-through entity's net profits attributable to the City; and

B. Pay City income tax thereon.

(m) The officer, employee or owner having control or supervision of, or charged with the responsibility of filing, any return or declaration required by this chapter and making payment of City income tax, or any officer of a corporation who is responsible for execution of the corporation's fiscal responsibilities, shall be personally liable for the failure of the business either to file any return or declaration or to pay, withhold or remit City income tax. The dissolution, termination or bankruptcy of a corporation or pass-through entity does not discharge the liability of a responsible officer, employee or owner for a failure of the corporation or pass-through entity to file City income tax returns or declarations or to pay, withhold or remit City income tax.
(Ord. 2005-60. Passed 6-6-05.)

For taxable years beginning on or after January 1, 2005, declarations of estimated net profits from any business conducted within the City and payment of estimated City income tax thereon may be made by

using the Ohio business gateway, as described in Ohio Revised Code Section 718.051, including any amendments or successor provisions thereto.

(b) Those taxpayers having a taxable year other than the calendar year shall file the declaration required by Section 193.18 on or before the fifteenth day of the fourth month after the start of each fiscal year or period.
(Ord. 2005-60. Passed 6-6-05.)

193.20 FORM OF DECLARATION.

(a) The declaration required by Section 193.18 shall be filed upon a form furnished by or obtainable from the Administrator or on a generic form prescribed by Ohio Revised Code Section 718.05, including any amendments or successor provisions thereto; provided, however, credit shall be taken for City income tax to be withheld from any portion of such income reported on the declaration. In accordance with the provisions of Section 193.35, credit may be taken for tax to be paid or to be withheld and remitted to another taxing municipality.

(b) The original declaration (or any subsequent amendment thereof) may be increased or decreased on or before any subsequent quarterly payment date as provided for herein.
(Ord. 2005-60. Passed 6-6-05.)

193.21 PAYMENT TO ACCOMPANY DECLARATION.

(a) Such declaration of estimated tax for a taxable year that is a calendar year shall be accompanied by payment of at least twenty-two and one-half percent of the estimated annual tax and, in the case of individuals, at least a similar amount must be paid on or before July 31 and October 31 of that taxable year and January 31 of the subsequent taxable year. A calendar year taxpayer having net profits subject to City income tax must file the declaration of estimated tax by April 15 and pay at least twenty-two and one-half percent of the estimated annual tax by that date, and at least a similar amount must be paid by June 15, September 15 and December 15 of such taxpayer's taxable year. The declaration of estimated tax for a taxable year that is a fiscal year shall be accompanied by payment of at least twenty-two and one-half percent of the estimated annual tax, and at least a similar amount must be paid by the fifteenth day of the sixth, ninth and twelfth months of the fiscal year. The estimate may be

amended at any time prior to the due date of the taxpayer's annual City income tax return for the taxable year for which the estimated payments are made. The annual City income tax return must be filed and any balance of City income tax that may be due must be paid on or before the due date set forth in Section 193.11. If the taxpayer has paid more than the amount of tax to which the City is entitled, a refund of the amount so overpaid shall be made or the same may be applied toward the declaration of tax due for the ensuing taxable year. Claims for refunds shall be made on forms prescribed or approved by the Administrator and within the time provided in Section 193.32.

(b) An amended declaration must be filed on or before January 31 of any year, or in the case of a taxpayer on a fiscal year accounting basis, on or before the date fixed by regulation of the Administrator, if it appears that the original declaration made for the preceding taxable year underestimated the taxpayer's income by ten percent (10%) or more. At such time a payment that, together with prior payment is sufficient to pay taxpayer's entire estimated liability, shall be made. If upon the filing of the annual City income tax return required by Section 193.11 hereof, it appears that the taxpayer did not pay at least ninety percent (90%) of the City income tax liability shown on such return on or before January 31 or the date fixed by regulation, whichever is applicable, the difference between ninety percent (90%) of the taxpayer's City income tax liability and the amount of estimated tax actually paid on or before January 31 or the date fixed by regulation, whichever is applicable, shall be subject to the interest and penalty provisions of Sections 193.24 and 193.25. However, the interest and penalty provision of Sections 193.24 and 193.25 shall not apply where either:

(1) The taxpayer is a resident but was not domiciled in the City on January 1 of the calendar year; or

(2) The taxpayer has remitted on a timely basis an amount of estimated City income tax at least equal to one hundred percent (100%) of the taxpayer's City income tax liability for the preceding taxable year, provided that the return for the preceding taxable year reflected a 12-month period and the taxpayer filed a City income tax return for the preceding taxable year.

(Ord. 2005-60. Passed 6-6-05.)

193.22 ANNUAL RETURN.

On or before the fifteenth day of the fourth month of the year following that for which such declaration or amended declaration was filed, an annual return shall be filed and any balance of City income tax that may be due shall be paid therewith in accordance with the provisions of Section 193.16.

(Ord. 2005-60. Passed 6-6-05.)

(Ord. 2005-60. Passed 6-6-05.)

193.25 PENALTIES ON UNPAID TAX.

(a) In addition to interest as provided in Section 193.24, penalties based on unpaid City income tax are hereby imposed as follows:

(Ord. 2005-60. Passed 6-6-05.)

193.26 EXCEPTIONS.

A penalty shall not be assessed or an additional tax assessment made by the Administrator when a return has been filed in good faith and the tax paid thereon within the time prescribed by the Administrator; and provided, further, that, in the absence of fraud, neither penalty nor interest shall be assessed on any additional tax assessment resulting from a Federal audit, providing, subject to the limitation on the period for assessment of City income tax prescribed by Ohio Revised Code Section 718.12, including any amendments or successor provisions thereto, an amended return is filed and the additional tax is paid within three months after a final determination of the Federal tax liability.

(Ord. 2005-60. Passed 6-6-05.)

193.27 ABATEMENT OF INTEREST AND PENALTY.

Upon recommendation of the Administrator, the Board of Review may abate penalty or interest, or both, or upon an appeal from the refusal of the Administrator to recommend abatement of penalty and interest, the Board may nevertheless abate penalty or interest, or both, for good cause shown. (Ord. 2005-60. Passed 6-6-05.)

Until further amendment of this section by Council, the credit allowed by this subsection (a) shall not exceed the City income tax imposed on income that is also subject to tax in another taxing municipality, which will result in no minimum tax due to the City on such income where the other taxing municipality imposes tax at a rate equal to or greater than the City income tax rate set forth in Section 193.03.

(b) In the event that any resident fails, neglects or refuses to file a tax return or form as is prescribed by the Administrator, and to timely pay all taxes due, such taxpayer shall not be entitled to a credit under subsection (a) hereof, and shall be in violation of this chapter.
