(1974 Code ' 95.11)

882.06 METHOD OF DETERMINATION OF TAX.

(a) In the taxation of income which is subject to Village income taxes, if the books and records of a taxpayer conducting a business or profession both within and without the boundaries of the Village shall disclose with reasonable accuracy what portion of its net profits is attributable to that part of the business or profession conducted within the boundaries of the Village, then only such portion shall be considered as having a taxable situs in the Village for the purpose of Municipal income taxation. The portion of the entire net profits of a taxpayer to be allocated as having been derived from within the Village, in the absence of actual records thereof, shall be determined as follows: Multiply the entire net profits by a business allocation percentage to be determined by a three-factor formula of property, payroll, and sales, each of which shall be given equal weight, as follows:

(1) The average net book value of the real and tangible personal property owned or used by the taxpayer in the business or profession in the Village during the taxable period to the average net book value of all the real and tangible personal property owned or used by the taxpayer in the business or profession during the same period, wherever situated.

As used in the preceding paragraph, real property shall include property rented or leased by the taxpayer and the value of such property shall be determined by multiplying the annual rental thereon by eight.

(2) Wages, salaries, and other compensation paid during the taxable period to persons employed in the business or profession for services performed in the Village to wages, salaries, and other compensation paid during the same period to persons employed in the business or profession, wherever their services are performed.

(3) Gross receipts of the business or profession from sales made and services performed during the taxable period in the Village to gross receipts of the business or profession during the same period from sales and services, wherever made or performed.

(b) In the event that the foregoing allocation formula does not produce an equitable result, another basis may, under uniform regulations, be substituted so as to produce such result.
(Ord. 53-68. Passed 9-3-68.)

882.07 SALES MADE IN THE VILLAGE DEFINED.

As used in Section 882.06, Asales made in the Village@ means:

(a) All sales of tangible personal property which is delivered within the Village regardless of where title passes, if shipped or delivered from a stock of goods within the Village.

(b) All sales of tangible personal property which is delivered within the Village, regardless of where title passes, even though transported from a point outside the Village, if the taxpayer is regularly engaged through its own employees in the solicitation or promotion of sales within the Village and the sales result from such solicitation or promotion.

(c) All sales of tangible personal property which is shipped from a place within the Village to purchasers outside the Village, regardless of where title passes, if the taxpayer is not, through its own employees, regularly engaged in the solicitation or promotion of sales at the place where delivery is made.

882.08 DETERMINATION OF BUSINESS ALLOCATION PERCENTAGE.

(a) Add together the percentages determined in accordance with Section 882.06, or such of the aforesaid percentages as are applicable to the particular taxpayer, and divide the total so obtained by the number of percentages used in deriving said total in order to obtain the business allocation percentage referred to in Section 882.06.

(b) Where the gross monthly rental of any and all real properties, regardless of the number and value, aggregates in excess of two hundred fifty dollars (\$250.00) per month, it shall be prima-facie evidence that the rental, ownership, management, or operation of such properties is a business activity of such taxpayer, and the net income of such rental property shall be subject to tax provided that in the case of commercial property, the owner shall be considered engaged in business activity when the rental is based on a fixed or fluctuating percentage of gross or net sales, receipts or profits of the lessee, whether or not such rental exceeds two hundred fifty dollars (\$250.00) per month, and provided, further, that in the case of farm property, the owner shall be considered engaged in a business activity when he or she shares in crops or when the rental is based on a percentage of the gross or net receipt derived from the farm, whether or not the gross income exceeds said two hundred fifty dollars (\$250.00) per month, and provided, further, that the person who operates a licensed rooming house shall be considered in business whether or not the gross income exceeds two hundred fifty dollars (\$250.00) per month.

(c) Property owners who are considered to have a business activity under the provisions of this section shall submit or cause to be submitted to the Administrator a list of names and addresses of all persons, firms, corporations, or other entities occupying, leasing or renting any premises within the Municipality. The required list shall be prepared as of December 31 of each year and submitted on or before January 31 of the following year.

No portion of a net operating loss shall be carried back against net profits of any prior year.

(b) The portion of net operating loss sustained shall be allocated to the Village in the same manner as provided herein for allocating net profits to the Village.

(c) The Administrator shall provide, by rules and regulations, the manner in which such net operating loss carry-forward shall be determined.

(Ord. 53-68. Passed 9-3-68.)

882.12 WHEN RETURN REQUIRED TO BE MADE.

Each taxpayer, except as herein provided, shall, whether or not a tax be due thereon, make and file a return on or before April 30 of the year following the effective date of this chapter and on or before April 30 of each year thereafter. When the return is made for a fiscal year or other period different from the calendar year, the return shall be filed within four months from the end of such fiscal year or period. Any person who has no income need not file an annual return. Any person who has exempt income must file a return and declare to the Administrator the nature of his or her exemption. Any person who has taxable income must file a tax return with the Tax Administrator.

(Ord. 89-96. Passed 11-6-96.)

882.13 FORM AND CONTENTS OF RETURN.

A return shall be filed with the Administrator on a form or forms furnished by or obtainable upon request from such Administrator, setting forth:

(a) The aggregate amounts of salaries, wages, commissions and other compensation earned and gross income from business, profession or other activity, less allowable expenses incurred in the acquisition of such gross income earned during the preceding year and subject to said tax;

The Administrator may extend the time for filing of the annual return upon the request of the taxpayer for a period of not to exceed six months, or one month beyond any extension requested of or granted by the Internal Revenue Service for the filing of the Federal Income Tax Return. The Administrator may require a tentative return, accompanied by payment of the amount of tax shown to be due thereon, by the date the return is normally due. No penalty or interest shall be assessed in those cases in which the return is filed and the final tax paid within the period as extended. (Ord. 53-68. Passed 9-3-68.)

(a) Filing of consolidated returns may be permitted or required in accordance with rules and regulations prescribed by the Administrator.

(b) In the case of a corporation that carried on transactions with its stockholders or with other corporations related by stock ownership, interlocking directorates, or some other method, or in case any person operates a division, branch, factory, office, laboratory or activity within the Village constituting a portion only of its total business, the Administrator shall require such additional information as he or she may deem necessary to ascertain whether net profits are properly allocated to the Village. If the Administrator finds that net profits are not properly allocated to the Village by reason of transactions with stockholders or with other corporations related by stock ownership, interlocking directorates, or transactions with such division, branch, factory, office, laboratory or activity, or by some other method, he or she shall make allocations as he or she deems appropriate to produce a fair and proper allocation of net profits to the Village.

(Ord. 53-68. Passed 9-3-68.)

882.16 AMENDED RETURN.

(a) Where necessary, an amended return must be filed in order to report additional income and pay any additional tax due, or claim a refund of tax overpaid, subject to the requirements, limitations, or both, contained in Sections 882.32 through 882.35. Such amended returns shall be on a form obtainable on request from the Administrator. A taxpayer may not change the method of accounting or apportionment of net profits after the due date for filing the original return.

(b) Within three months from the final determination of any Federal tax liability affecting the taxpayer's Village tax liability, such taxpayer shall make and file an amended Village return showing income subject to the Village tax based upon such final determination of Federal tax liability, and pay any additional tax shown due thereon or make claim for refund of any overpayment.

(Ord. 53-68. Passed 9-3-68.)

882.17 PAYMENT OF TAX ON FILING OF RETURN.

(a) The taxpayer making a return shall, at the time of filing thereof, pay to the Administrator the amount of taxes shown as due thereon, provided, however, that:

(1) Where any portion of the tax so due shall have been deducted at the source pursuant to the provisions of Section 882.18; or

(2) Where any portion of said tax shall have been paid by the taxpayer pursuant to the provisions of Section 882.19; or

(3) Where an income tax has been paid on the same income to another municipality;

Credit for the amount so deducted from the amount shown to be due shall be given, and only the balance, if any, shall be due and payable at the time of filing said return.

(b) A taxpayer who has overpaid the amount of tax to which the Village is entitled under the provisions of this chapter may have such overpayment applied against any subsequent liability hereunder or, at his or her election, indicated on the return, such overpayment (or part thereof) shall be refunded, provided that no additional taxes or refunds of less than one dollar (\$1.00) shall be collected or refunded.

(c) If any employer who or that is liable for tax obligations imposed by this chapter undergoes a fundamental change, then the employer and its manager shall be liable for taxes due up to the date of the fundamental change. Taxes and final tax returns shall be due immediately after the fundamental change. Any successor employer shall withhold from any purchase price that the successor owes to the predecessor an amount sufficient to pay all unpaid taxes, interest and penalties which the predecessor employer owes pursuant to this chapter. The successor employer shall make such withholding until such time that the predecessor employer has paid such taxes, interest and penalties. If the successor fails to withhold said amount, then the successor and, in a personal manner, the successor's manager, shall be jointly and severally liable for the payment of said taxes, interest and penalties.

(Ord. 86-96. Passed 11-6-96.)

882.18 COLLECTION AT SOURCE.

(a) In accordance with the rules and regulations prescribed by the Administrator, each employer within or doing business within the Village shall deduct, at the time of the payment of salaries, wages, commissions or other compensation, the tax of two percent per annum of the gross salaries, wages, commissions or other compensation due by the employer to the employee, and shall, on or before the last day of each month, make a return and pay to the Administrator the amount of taxes so deducted during the previous month, provided, however, that if the amount of the tax so deducted by any employer in any one month is less than one hundred dollars (\$100.00), the employer may defer the filing of a return and payment of the amount deducted until the last day of the month following the end of the calendar quarter in which such month occurred.

(b) Such returns shall be on a form or forms prescribed or acceptable to the Administrator and shall be subject to the rules and regulations prescribed therefor by the Administrator. Such employer shall be liable for the payment of the tax required to be deducted and withheld, whether or not such taxes have, in fact, been withheld.

(c) Such employer in collecting said tax shall be deemed to hold the same until payment is made by such employer to the Village as a trustee for the benefit of the Village, and any such tax collected by such employer from his or her employees shall, until the same is paid to the Village, be deemed a trust fund in the hands of such employer.

(d) No person shall be required to withhold the tax on wages or other compensation paid domestic servants employed by him or her exclusively in or about such person's residence, even though such residence is in the Village, but such employee shall be subject to all of the requirements of this chapter.

(e) (1) Every manager is deemed to be a trustee of the Village in collecting and holding the tax required under this chapter to be withheld, and the funds so collected by such withholding are deemed to be trust funds. Every manager is liable directly to the Village for payment of such funds, whether actually collected by such employer or not. Any tax deducted and withheld is to be considered paid to the Village, whether or not the employer actually remits the tax to the Village, for purposes of determining employee payments or credits.

(2) All managers shall be personally liable to the extent of the tax, interest and penalty, jointly and severally, for failure to file the employer's return or to pay the employer's tax, interest and penalty as required under this chapter.

(3) No change in structure by an employer, including a fundamental change, discharges its managers from liability for the employees' or managers' failure to remit funds held in trust, to file a tax return or to pay taxes.

On or before the last day of the fourth month of the year following that for which such declaration or amended declaration was filed, an annual return shall be filed and any balance which may be due the Village shall be paid therewith in accordance with the provisions of Section 882.17, provided, however, that any taxpayer may file, on or before the last day of the first month of the year following that for which such declaration or amended declaration was filed, an annual return and pay any balance due at such time in lieu of filing such declaration or an amended declaration, and in lieu of paying the final quarterly installment based upon a declaration or amended declaration of estimated tax.
(Ord. 53-68. Passed 9-3-68; Ord. 94-71. Passed 12-21-71.)
