(Ord. 1995-44. Passed 11-16-95.)

193.24 METHOD OF DETERMINATION.

In the taxation of income which is subject to City income taxes, if the books and records of a taxpayer conducting a business or profession both within and without the boundaries of the City shall disclose with reasonable accuracy what portion of its net profit is attributable to that part of the business or profession conducted within the boundaries of the City, then only such portion shall be considered as having a taxable situs in the City for the purposes of Municipal income taxation. The portion of the entire net profits of a taxpayer to be allocated as having been derived from within the City in the absence of actual records thereof, shall be determined as follows.

Multiply the entire net profits by a business allocation percentage to be determined by a three-factor formula of property, payroll and sales each of which shall be given equal weight, as follows:

- (a) The average net book value of the real and tangible personal property owned or used by the taxpayer in the business or profession in the City during the taxable period to the average net book value of all the real and tangible personal property owned or used by the taxpayer in the business or profession during the same period, wherever situated.

As used in the preceding paragraph, real property shall include property rented or leased by the taxpayer and the value of such property shall be determined by multiplying the annual rental thereon by eight.

- (b) Wages, salaries and other compensation paid during the taxable period to persons employed in the business or profession for services performed in the City to wages, salaries and other compensation paid during the same period to persons employed in the business or profession, wherever their services are performed.
- (c) Gross receipts of the business or profession from sales made and services performed during the taxable period in the City to gross receipts of the business or profession during the same period from sales and services, wherever made or performed.
In the event that the foregoing allocation formula does not produce an equitable result, another basis may, under uniform regulations, be substituted so as to produce such result.
(Ord. 1967-63. Passed 6-21-67.)

193.25 SALES MADE IN THE CITY.

As used in Section 193.24(c) "sales made in the City" means:

- (a) All sales of tangible personal property which is delivered within the City regardless of where title passes if shipped or delivered from a stock of goods within the City.
- (b) All sales of tangible personal property which is delivered within the City regardless of where title passes even though transported from a point outside the City if the taxpayer is regularly engaged through its own employees in the solicitation or promotion of sales within the City and the sales result from such solicitation or promotion.
- (c) All sales of tangible personal property which is shipped from a place within the City to purchasers outside of the City regardless of where title passes if the taxpayer is not, through its own employees, regularly engaged in the solicitation or promotion of sales at the place where delivery is made.
(Ord. 1967-63. Passed 6-21-67.)

193.26 TOTAL ALLOCATION.

Add together the percentages determined in accordance with Section 193.24(a), (b) and (c) or such of the aforesaid percentages as are applicable to the particular taxpayer and divide the total so obtained by the number of percentages used in deriving such total in order to obtain the business allocation percentage referred to in Section 193.24.

A factor is applicable even though it may be allocable entirely in or outside the City.
(Ord. 1967-63. Passed 6-21-67.)

193.27 RENTALS.

Rental income received by a taxpayer shall be included in the computation of net profits from business activities under Section 193.22 (c), (d) and (e), only if and to the extent that the rental ownership, management or operations of the real estate from which such rentals are derived, whether so rented, managed or operated by a taxpayer individually or through agents or other representatives, constitutes a business activity of the taxpayer in whole or in part.

Where the gross monthly rental of any and all real properties, regardless of number and value, aggregates in excess of two hundred fifty dollars (\$250.00) per month, it shall be prima-facie evidence that the rental, ownership, management or operation of such properties is a business activity of such taxpayer, and the net income of such rental property shall be subject to tax; provided that in the case of commercial property, the owner shall be considered engaged in a business activity when the rental is based on a fixed or fluctuating percentage of gross or net sales, receipts or profits of the lessee, whether or not such rental exceeds two hundred fifty dollars (\$250.00) per month; provided further that in the case of farm property, the owner shall be considered engaged in a business activity when he shares in crops or when the rental is based on a percentage of the gross or net receipts derived from the farm, whether or not the gross income exceeds two hundred fifty dollars (\$250.00) per month; and provided further that the person who operates a licensed rooming house shall be considered in business whether or not the gross income exceeds two hundred fifty dollars (\$250.00) per month.
(Ord. 1971-197. Passed 12-16-71.)

193.28 OPERATING LOSS CARRY-FORWARD.

(a) The portion of a net operating loss sustained in any taxable year subsequent to January 1, 1967, allocable to the City may be applied against the portion of the profit of succeeding tax years allocable to the City, until exhausted but in no event for more than five taxable years immediately following the year in which the loss occurred. No portion of a net operating loss shall be carried back against net profits of any prior year.

(b) The portion of net operating loss sustained shall be allocated to the City in the same manner as provided herein for allocating net profits to the City.

(c) The Administrator shall provide by rules and regulations the manner in which such net operating loss carry-forward shall be determined.

(Ord. 1967-63. Passed 6-21-67.)

- (c) Proceeds of insurance paid by reason of the death of the insured; pensions, disability benefits, annuities or gratuities not in the nature of compensation for services rendered from whatever source derived.

(Ord. 1971-197. Passed 12-16-71.)

The return shall be filed with the Administrator on a form or forms furnished by or obtainable upon request from such administrator, setting forth:

The Administrator may require a tentative return, accompanied by payment of the amount of tax shown to be due thereon by the date the return is normally due. No penalty or interest shall be assessed in those cases in which the return is filed and the final tax paid within the period as extended.

(Ord. 1967-63. Passed 6-21-67.)

If the Administrator finds that net profits are not properly allocated to the City by reason of transactions with stockholders or with other corporations related by stock ownership or interlocking directorates, or transactions with such division, branch, factory, office, laboratory or activity or by some other method he shall make such allocation as he deems appropriate to produce a fair and proper allocation of net profits to the City.

(Ord. 1967-63. Passed 6-21-67.)

193.34 AMENDED RETURNS.

(a) Where necessary an amended return must be filed in order to report additional income and pay any additional tax due, or claim a refund of tax overpaid, subject to the requirements, limitations or both, contained in Sections 193.49 to 193.53. Such amended return shall be on a form obtainable on request from the Administrator. A taxpayer may not change the method of accounting or apportionment of net profits after the due date for filing the original return.

(b) Within three months from the final determination of any Federal tax liability affecting the taxpayer's City tax liability, such taxpayer shall make and file an amended City return showing income subject to the City tax based upon such final determination of Federal tax liability, and pay any additional tax shown due thereon or make claim for refund of any overpayment.

(Ord. 1967-63. Passed 6-21-67.)

193.35 PAYMENT OF TAX ON FILING OF RETURN.

(a) The taxpayer making a return shall, at the time of the filing thereof, pay to the Administrator the amount of taxes shown as due thereon; provided, however, that where any portion of the tax so due has been deducted at the source pursuant to the provisions of Section 193.36, or where any portion of such tax has been paid by the taxpayer pursuant to the provisions of Section 193.37, or where an income tax has been paid on the same income to another municipality, credit for the amount so deducted or paid or credit to the extent provided for in Section 193.52 shall be deducted from the amount shown to be due and only the balance, if any, shall be due and payable at the time of filing such return.

(b) A taxpayer who has overpaid the amount of tax to which the City is entitled under the provisions of this chapter may have such overpayment applied against any subsequent liability hereunder, or, at his election, indicated on the return, and such overpayment, or part thereof, shall be refunded, provided that no additional taxes or refunds of less than one dollar (\$1.00) shall be collected or refunded. (Ord. 1971-197. Passed 12-16-71.)

(a) In accordance with rules and regulations prescribed by the Administrator, each employer within or doing business within the City shall deduct, at the time of the payment of such salary, wages, commission or other compensation, the tax at its then applicable percentage of the gross salaries, wages, commission or other compensation due by the employer to the employee and shall, on or before the last day of each month, make a return and pay to the Administrator the amount of taxes so deducted during the previous month. However, if the amount of the tax so deducted by any employer in any one month is less than one hundred dollars (\$100.00), the employer may defer the filing of a return and payment of the amount deducted until the last day of the month following the end of the calendar quarter in which such month occurred.

(b) Such returns shall be on a form or forms prescribed or acceptable to the Administrator and shall be subject to the rules and regulations prescribed therefor by the Administrator. Such employer shall be liable for the payment of the tax required to be deducted and withheld whether or not such taxes have, in fact, been withheld.

(c) Such employer in collecting the tax shall be deemed to hold the same until payment is made by such employer to the City as a trustee for the benefit of the City and any such tax collected by such employer from his employees shall, until the same is paid to the City, be deemed a trust fund in the hands of such employer.

(d) No person shall be required to withhold the tax on wages or other compensation paid domestic servants employed by him exclusively in or about such person's residence, even though such residence is in the City, but such employee shall be subject to all of the requirements of this chapter. (Ord. 1993-22. Passed 5-6-93.)

(e) The officer or employee having control or supervision of or charged with the responsibility of filing the return and making the payment shall be personally liable for failure to file the return or pay the tax due as required herein. The dissolution, bankruptcy or reorganization of any such employer does not discharge an officer's or employee's liability for a prior failure of such business to file a return or pay taxes due. (Ord. 1996-252. Passed 12-19-96.)

193.37 DECLARATIONS OF INCOME NOT COLLECTED AT SOURCE.

If the estimated tax for the current year, less the tax to be withheld and less such tax credit, amounts to not more than one hundred dollars (\$100.00), no declaration or payment of estimated tax is required. 193.40 PAYMENT TO ACCOMPANY DECLARATION.

Such declaration of estimated tax to be paid to the City shall be accompanied by a payment of at least one-fourth of the estimated annual tax and at least a similar amount shall be paid on or before the last day of the seventh and tenth months after the beginning of the taxable year and on or before the last day of the first month of the succeeding year following the taxable year. However, in case an amended declaration has been filed, the unpaid balance shown due thereon shall be paid in equal installments on or before the remaining payment dates. (Ord. 1974-16. Passed 2-7-74.)

193.41 ANNUAL RETURN.

On or before the last day of the fourth month of the year following that for which such declaration or amended declaration was filed, an annual return shall be filed and any balance which may be due the City shall be paid therewith in accordance with the provisions of Section 193.35. However, any taxpayer may file, on or before the last day of the first month of the year following that for which such declaration or amended declaration was filed, an annual return and pay any balance due at such time in lieu of filing such declaration or an amended declaration, and in lieu of paying the final quarterly installment based upon a declaration or amended declaration of estimated tax. (Ord. 1971-197. Passed 12-16-71.)

193.42 INTEREST ON UNPAID TAX.

All taxes imposed and all moneys withheld or required to be withheld by employers and all installments of estimated taxes required to be paid under the provisions of this chapter and remaining unpaid after they become due shall bear interest at the rate of six percent per year or fraction thereof.

(Ord. 1971-197. Passed 12-16-71.)

193.43 PENALTIES ON UNPAID TAX.

In addition to interest as provided in Section 193.42, penalties based on the unpaid tax or installments of estimated tax are hereby imposed as follows:

- (a) For failure to pay taxes or estimated taxes due, other than taxes withheld, ten percent per year, but not less than five dollars (\$5.00);
- (b) For failure to remit taxes withheld from employees, ten percent per month or fraction thereof, but accumulated penalty shall not exceed fifty percent upon any unpaid amount and shall not be less than five dollars (\$5.00).

(Ord. 1971-197. Passed 12-16-71.)

193.44 EXCEPTIONS.

A penalty shall not be assessed on an additional tax assessment against a taxpayer by the Administrator when a return has been filed in good faith and the tax paid thereon within the time prescribed by the Administrator; and provided further, that, in the absence of fraud, neither penalty nor interest shall be assessed on any additional tax assessment resulting from a Federal audit, providing an amended return is filed and the additional tax is paid within three months after a final determination of the Federal tax liability.
