880.02 IMPOSITION OF TAX.

(a) To provide funds for the purposes of general City operations, maintenance of equipment, new equipment, extension, enlargement and improvement of City services and facilities and capital improvements of the City, there is hereby levied a tax upon earnings at the rate of one percent upon the following:

(1) On all gross earnings, salaries, wages, bonuses, sick pay, subpay, commissions, deferred compensation, pension plans, lottery winnings and other compensation earned on and after February 1, 1973, by resident individuals of the City;

(2) On all gross earnings, salaries, wages, bonuses, sick pay, subpay, commissions, deferred compensation, pension plans and other compensation earned on and after February 1, 1973, by nonresident individuals, for work done or services performed or rendered in the City;

(6) On the portion of the distributive share of the net profits earned on and after February 1, 1973, of a resident individual, partner or owner of a nonresident unincorporated business entity not attributable to the City and not levied against such unincorporated business entity; and

(7) On the net profits earned on and after February 1, 1973, of all corporations, derived from work done or services rendered or performed and business or other activities conducted in the City.

(b) The portion of the net profits attributable to the City of a taxpayer conducting a business, profession or other activity, both within and without the boundaries of the City, shall be determined as provided in Section 880.03 and in accordance with the rules and regulations adopted by Council pursuant to this chapter.

(Ord. 39-92. Passed 12-21-92.)

880.03 DETERMINATION OF INCOME SUBJECT TO TAX.

(a) In the taxation of income which is subject to taxation under this chapter, if the books and records of a taxpayer conducting a business or profession both within and without the boundaries of the City disclose with reasonable accuracy what portion of its net profit is attributable to that part of the business or profession conducted within the boundaries of the City, then only such portion shall be considered as having a taxable situs in the City for purposes of income taxation. In the absence of such records, net profit from a business or profession conducted both within and without the boundaries of the City shall be considered as having a taxable situs in the City for purposes of income taxation in the same proportion as the average ratio of:

(1) The average net book value of the real and tangible personal property owned or used by the taxpayer in the business or profession in the City during the taxable period, to the average net book value of all of the real and tangible personal property owned or used by the taxpayer in the business or profession during the same period, wherever situated. As used in this paragraph, "real property" includes property rented or leased by the taxpayer. The value for such property shall be determined by multiplying the annual rental thereon by eight.

(2) Wages, salaries and other compensation paid during the taxable period to persons employed in the business or profession for services performed in the City, to wages, salaries and other compensation paid during the same period to persons employed in the business or profession, wherever their services are performed; and

(3) The gross receipts of the business or profession from sales made and services performed during the taxable period in the City, to gross receipts of the business or profession during the same period from sales and services, wherever made or performed.

In the event that the foregoing allocation formula does not produce an equitable result, another basis may, under uniform regulations, be substituted so as to produce such result.

(b) As used in this section, "sales made in the City" means:

(1) All sales of tangible personal property which is delivered within the City, regardless of where title passes, if shipped or delivered from a stock of goods within the City;

(2) All sales of tangible personal property which is delivered within the City, regardless of where title passes, even though transported from a point outside the City, if the taxpayer is regularly engaged through its own employees in the solicitation or promotion of sales within the City and the sales result from such solicitation or promotion; and

(3) All sales of tangible personal property which is shipped from a place within the City to purchasers outside the City, regardless of where title passes, if the taxpayer is not, through its own employees, regularly engaged in the solicitation or promotion of sales at the place where delivery is made.

(Ord. 39-92. Passed 12-21-92.)

880.04 EFFECTIVE DATE.

The tax imposed by this chapter shall be levied, collected and paid with respect to salaries, wages, commissions and other compensation earned on and after February 1, 1973, and with respect to the net profit of businesses, professions and other activities earned on and after February 1, 1973, provided, however, that where the fiscal year of the business, profession or other activity differs from the calendar year, the tax shall be applied to that part of the net profit for the fiscal year as is earned on and after February 1, 1973, to the close of the taxpayer's fiscal year. Thereafter, the taxpayer shall report on its fiscal year basis.

(Ord. 39-92. Passed 12-21-92.)

880.05 POWERS AND DUTIES OF THE DIRECTOR OF FINANCE; DEPARTMENT OF TAXATION.

(c) The Director is hereby charged with the enforcement of this chapter and shall enforce the rules and regulations of Council relating to any matter or thing pertaining to the collection of City income taxes and the administration and enforcement of this chapter, including provisions for the examination and correction of returns and payments.

(d) In any case where a taxpayer has failed to file a return or has filed a return which does not show the proper amount of tax due, the Director may determine the amount of tax appearing to be due to the City from the taxpayer and shall send to such taxpayer a written statement showing the amount of tax so determined, together with the interest and penalties thereon, if any.

(e) Subject to the consent of the Board of Review, or pursuant to regulations approved by Council, the Director shall have the power to compromise any interest or penalty, or both, imposed by this chapter.

(f) A Department of Taxation is hereby established within the office of the Director of Finance. Such Department shall have such deputies, clerks and other employees as may be, from time to time, determined by Council, and shall receive such compensation as may be determined by Council. The Department shall be charged with the administration and operation of this chapter, under the direction of the Director. The Director shall prescribe the form and method of accounts and reports for the Department, as well as the forms for taxpayers' returns and declarations, shall be charged with the internal examination and audit of all such accounts and shall exhibit accurate records showing the amount received from each taxpayer and the date of receipt. Every such employer, supposed employer, taxpayer or supposed taxpayer, is hereby directed and required to furnish to the Director of Finance or his or her duly authorized agent or employee, within thirty days following a written request by the Director of Finance or his or her duly authorized agent or employee, the means, facilities and opportunity for making such examinations and investigations as are hereby authorized.

(d) Tax returns, investigations, hearings and all audit papers and information connected therewith are confidential and shall be carefully preserved so that they are not available for inspection by anyone other than the proper agents of the City for official purposes.

(e) Any information gained as a result of the filing of a tax return, or an investigation, hearing or verification required or authorized by this chapter, shall be confidential, except for official purposes and except in accordance with proper judicial order. (Ord. 25-94. Passed 12-20-94.)

No person shall:

(Ord. 39-92. Passed 12-21-92.)

880.15 FAILURE TO OBTAIN FORMS.

The failure of an employer, taxpayer or other person to receive or procure a return, declaration or other required form shall not excuse him or her from making any information return or declaration, from filing such form or from paying the tax.

(Ord. 39-92. Passed 12-21-92.)

880.16 EFFECTIVE PERIOD.

This chapter shall remain in effect until it is amended or repealed by Council.

(Ord. 39-92. Passed 12-21-92.)

880.17 ADMINISTRATION AND ENFORCEMENT.

(a) Twelve-day occasional entry rule.

(1) A nonresident individual who works in the City 12 or fewer days per year shall be considered an occasional entrant, and shall not be subject to municipal income tax for those 12 days. For purposes of the 12-day calculation, any portion of a day worked in the City shall be counted as one day worked in the City.

(2) Beginning with the thirteenth day, the employer of said individual shall begin withholding City income tax from remuneration paid by the employer to the individual, and shall remit the withheld income tax to the City in accordance with this chapter. Since the individual can no longer be considered to have been an occasional entrant, the employer is further required to remit taxes on income earned in the City by the individual for the first 12 days.

(3) If the individual is self-employed, it shall be the responsibility of the individual to remit the appropriate income tax to the City.

(4) The 12-day occasional entry rule does not apply to entertainers or professional athletes, their employees or individuals who perform services on their behalf, or to promoters and booking agents of such entertainment events and sporting events.

(5) Income tax withheld by a nonresident employer and paid to the City as a result of the employer being subject to the \$150 de minimus provision cannot be refunded to an individual under the 12-day occasional entry provision.

(b) \$150 de minimus rule.

(1) If not currently required to withhold City income tax, then a nonresident employer, agent of such employer, or other payer not situated in the City shall not further be required to withhold City income tax from remuneration paid to employees of the employer until the collective tax liability of the employees initially exceeds \$150.

(2) Independent contractors of a nonresident employer shall be deemed employees for work performed in the City on behalf of the employer, and are subject to the collective tax liability provision as if they were employees, and are not excluded from taxation.

(3) When the collective tax liability exceeds \$150, the employer is required to begin withholding the appropriate income tax for the City on behalf of all the employees performing work in the City. The withheld income tax shall be remitted to the City in accordance with this chapter. After exceeding the \$150 de minimus amount, the employer shall continue to have no responsibility for remitting any portion of the initial \$150 liability that was not withheld.

(4) Once the collective tax liability has exceeded the \$150, the employer must withhold income tax for the City (i.e., for work performed in the City) for the remainder of that calendar year and for subsequent years, even if the liability in subsequent years does not exceed \$150. However, if the tax liability for each of the three consecutive years (subsequent to that year in which the employer became liable for withholding the income tax) does not exceed \$150, the employer will be considered as not having performed work in the City in regard to further tax liability, and will again be subject to division (a) of this section.

(c) Forms. All income tax returns, reports or other documents required under this chapter may be filed on the forms promulgated by the City or upon generic forms of such returns, reports or documents. The City shall accept generic forms, if the generic forms, once completed and filed, contain all of the information required to be submitted with the City's prescribed returns, reports or documents, and if the taxpayer or return preparer filing the generic form otherwise complies with this City's rules or ordinances governing the filing of returns, reports or documents.

(d) Extensions. The Finance Director shall extend the time for filing of the annual City tax return upon the filing of a copy of the taxpayer's request for a federal extension. No extension may exceed six months, or one month beyond the extension requested of or granted by the Internal Revenue Service for filing of the federal income tax return, and will not be approved for a period less than the federal extension request. The request for extension shall be filed no later than the last day for filing the municipal income tax return as prescribed by ordinance or rule of the City income tax. The City may require a tentative return accompanied by payment of the amount shown to be due thereon by the date the return is normally due. The City may deny a taxpayer's request for extension only if the taxpayer fails to timely file the request, fails to file a copy of the request for the federal extension, owes the City any delinquent income tax or any penalty, interest, assessment or other charge for the late payment or nonpayment of income tax, or has failed to file any required income tax return, report, or other related document for a prior tax period. The granting of an extension for filing this City's income tax return does not extend the last date for paying the tax without penalty unless the City grants an extension of the date.

(Ord. 6-01. Passed 3-12-01.)

880.99 PENALTY.

(a) Whoever violates or fails to comply with any of the provisions of this chapter, for no penalty is otherwise provided, is guilty of a misdemeanor of the first degree and shall be fined not more than one thousand dollars (\$1,000) or imprisoned not more than six months, or both, for each offense. A separate offense shall be deemed committed each day during or on which a violation or noncompliance occurs or continues.

(b) In addition to the penalty provided in division (a) of this section, whoever violates Section 880.06(e) shall be immediately dismissed from the service of the City. Each disclosure shall constitute a separate offense.

(Ord. 39-92. Passed 12-21-92.)
