The Tax Administrator is hereby authorized to provide by regulation that the return of an employer or employers, showing the amount of Municipal tax deducted by said employer or employers from the qualifying wages, commissions, other compensation, and other taxable income of a nonresident employee, and paid by him or them to the Tax Administrator may be accepted as the return of a nonresident employee whose sold income, subject to tax under this Tax Code, is such qualifying wages, commissions, other compensation, and other taxable income.

(b) Joint filing is permitted.

(c) The return shall be filed with the Tax Administrator on a form or forms furnished by or obtainable upon request from the Tax Administrator; or on a generic form, if the generic form, when completed and filed, contains all of the information required to be submitted with the Municipality's prescribed return and, if the taxpayer or return preparer filing the generic form otherwise complies with the Tax Code governing the filing of returns.

No penalty shall be assessed in those cases in which the return is filed and the final tax paid within the extension period provided all other filing and payment requirements of the Tax Code have been met. Any extension by the Tax Administrator shall be granted upon the condition that declaration filing and payment requirements have been fulfilled; however, if, upon further examination it then becomes evident that declaration filing and payment requirements have not been fulfilled, penalty and interest may be assessed in full and in the same manner as though no extension had been granted.

- (g) Amended Returns.
- (1) Where necessary, an amended return shall be filed in order to report additional income and pay any additional tax due, or claim a refund of tax overpaid, subject to the requirements and/or limitations contained in Section 171.11. The Tax Administrator shall provide by regulation the format in which such amended return shall be filed. A taxpayer may not change the method of accounting or apportionment of net profits after the due date for filing the original return.

- (2) Within three (3) months from the final determination of any federal tax liability affecting the taxpayer's Municipal tax liability, such taxpayer shall make and file an amended Municipal return showing income subject to the Municipal tax based upon such final determination of federal tax liability and pay any additional tax shown due thereon or make claim for refund of any overpayment.

(h) Information returns, schedules and statements required to support tax returns which are incomplete without such information shall be filed within the time limits set forth for the filing of the tax returns and the failure to file such information returns, schedules and statements shall be a violation of this Tax Code. Provided, however, that the taxpayer shall have ten (10) days after notification by the Tax Administrator, or his authorized representative, to file the items required by this paragraph.

 - (2) The failure of an employer to remit to the municipal corporation the tax withheld relieves the employee from liability for that tax unless the employee colluded with the employer in connection with the failure to remit the tax withheld.

(d) Compensation deferred before the effective date of this amendment is not subject to any municipal corporation income tax or municipal income tax withholding requirement to the extent the deferred compensation does not constitute qualifying wages at the time the deferred compensation is paid or distributed.

(e) Payment of taxes withheld by an employer for the Municipality during the measurement period are to be made quarterly on or before the last day of the month following the end of each quarter, subject to the approval of the Tax Administrator. The Tax Administrator may require monthly filing and payments whenever the Tax Administrator has reason to believe it is in the best interest of the Municipality to do so. Notice of a change in filing and payment requirements shall be made in writing and, in such case, the employer must begin to file in accordance with this section.

(f) Employer Considered as Trustee. Each employer in collecting such tax shall be deemed to hold the same, until payment is made by such employer to the Municipality, as a trustee for the benefit of the Municipality, and any such tax collected by such employer from his employees shall, until the same is paid to the Municipality, be deemed a trust fund in the hands of such employer. Each employer shall be liable for the payment of the tax required to be deducted and withheld, whether or not such tax, in fact, has been withheld.

(g) Any person who is required to withhold tax from qualifying wages shall pay all such tax to the Municipality in accordance with the provisions of this section. In the event taxes withheld from the qualifying wages of employees are not paid to the Municipality in accordance with the provisions of this section, all officers, members, managers, employees, and trustees having control or supervision of or charged with the responsibility of filing the return and making payment are jointly and severally personally liable for the tax not returned or paid to the Municipality as well as any related interest and penalties, and are also liable under the provisions of Section 171.12 hereof. The dissolution, termination, or bankruptcy of a corporation, limited liability company, or business trust does not discharge an officer's, member's, manager's, employee's, or trustee's liability for a failure of the corporation, limited liability company, or business trust to file returns or pay said taxes.

(h) Withholding Return; List of Employees. Each employer shall file a withholding tax reconciliation showing the sum total of all compensation paid all employees, the portion of which, (if any) was not subject to withholding along with an explanation for same, and the portion of which was subject to withholding, together with the amount of such withholdings remitted. Such return shall include information concerning each employee from whom the Municipal tax was withheld, showing the name, address, zip code and social security number of each such employee, the total amount of compensation paid during the year and the amount of Municipal tax withheld. If the total tax withheld from any employee included tax withheld and remitted to another municipality, the amount of same shall be separately shown on the return of information to the Municipality concerning each employee. The withholding tax reconciliation shall be filed by each employer on or before February 28 following the end of such calendar year.

(i) In addition to the wage reporting requirements of this section, any person required by the Internal Revenue Service to report on Form 1099-Misc. payments to individuals not treated as employees for services performed shall also report such payments to the Municipality when the services were performed in the Municipality. The information may be submitted on a listing, and shall include the name, address and social security number (or federal identification number), and the amount of the payments made. Federal form(s) 1099 may be submitted in lieu of such listing. The information shall be filed annually on or before February 28 following the end of such calendar year.

(j) Domestic Servants. No person shall be required to withhold the tax on the qualifying wages, commissions, other compensation, and other taxable income paid domestic servants employed exclusively in or about such person's residence. However, such domestic servants shall be responsible for filing and paying their own returns and taxes. (Ord. 2003-3303. Passed 12-4-03.)

The estimated tax due must equal at least eighty percent (80%) of the tax to be shown on the current year's tax return. - (1) Such declaration shall be filed upon a form furnished by or obtainable from the Tax Administrator or an acceptable generic form, and credit shall be taken for the Municipal tax to be withheld from any portion of such income. In accordance with the provisions of Section 171.15, credit may be taken for tax to be withheld and remitted to another taxing municipality.
- (2) The original declaration (or any subsequent amendment thereof) may be increased or decreased on or before any subsequent quarterly payment date as provided for herein.
- (3) For taxpayers who are individuals, such declaration of estimated tax to be paid the Municipality shall be accompanied by a payment of at least one-fourth of the estimated annual tax and at least a similar amount shall be paid on or before the last day of the seventh, tenth, and thirteenth months after the beginning of the taxable year.
- (4) For taxpayers that are not individuals, such declaration of estimated tax to be paid the Municipality shall be accompanied by a payment of at least one-fourth of the estimated annual tax and at least a similar amount shall be paid on or before the last day of the seventh, tenth, and thirteenth months after the beginning of the taxable year.
- (5) The mere submission of a declaration estimating a tax liability shall not constitute filing unless accompanied by the required payment.

(d) Amended Declaration.

- (1) A declaration may be amended at any time.
- (2) In the event that an amended declaration has been filed, the unpaid balance shown due thereon shall be paid in equal installments on or before the remaining payment dates.

(e) Annual Return Required. On or before the fifteenth (15th) day of the fourth month of the calendar or fiscal year, an annual return shall be filed and any balance which may be due the Municipality shall be paid therewith in accordance with the provisions of Section 171.05. (Ord. 2007-3443. Passed 6-7-07.)

(d) Subject to the consent of a majority of the Board of Review/Adjudication, the Tax Administrator shall have the power to compromise any liability imposed by this Tax Code.

(c) The refusal to produce books, papers, records or federal income tax returns, or the refusal to submit to such examination by any employer or person subject, or presumed to be subject, to the tax or by any officer, agent or employee of a person subject to the tax or required to withhold tax, or the failure of any person to comply with the provisions of this section or with an order or subpoena of the Tax Administrator authorized hereby, shall be deemed a violation of this Chapter.

- (5) No penalty or interest shall be charged against a taxpayer for the late payment or nonpayment of estimated tax if the taxpayer is an individual who resides in the municipal corporation but was not domiciled there on the first day of January of the tax year to which the estimates would be applied.

(c) Exceptions. A penalty shall not be assessed on an additional tax assessment made by the Tax Administrator when a return has been filed in good faith and the tax paid thereon within the time prescribed by the Tax Administrator; and provided further that, in the absence of fraud, neither penalty nor interest shall be assessed on any additional tax assessment resulting from a federal audit, providing an amended return is filed and the additional tax is paid within three (3) months after the final determination of the federal tax liability.
