A. Each taxpayer, except as herein provided, shall, whether a tax be due thereon, make and file a return on or before April 15 of the year following the effective date of this ordinance, and on or before April 15<sup>th</sup> of each year thereafter. When the return is made for a fiscal year or other period different from the calendar year, the return shall be filed by the 15<sup>th</sup> day of the 4<sup>th</sup> month from the end of such fiscal year or period. The Administrator is hereby authorized to provide by regulation that the return of an employer or employers, showing the amount of tax deducted by said employer or employers from the salaries, wages, commissions or other compensation of an employee, and paid by him or them to the Administrator shall be accepted unless otherwise specified as the return required of any employee whose sole income, subject to tax under this ordinance, is such salary, wages, commissions, or other compensation.

B. The return shall be filed with the Administrator on a form or forms furnished by or obtainable upon request from such Administrator setting forth:

1. The aggregate amounts of salaries, wages, commissions and other compensation earned and gross income from business, profession or other activity, less allowable ordinary,

3. Such other pertinent statements, information returns, or other information as the Administrator may require.

C. The Administrator may extend the time for filing of the annual return upon the request of the taxpayer for a period of not to exceed six months, or one month beyond any extension requested of or granted by the Internal Revenue Service for the filing of the federal income tax return. The Administrator may require a tentative return, accompanied by payment of the amount of tax shown to be due thereon by the date the return is normally due. No penalty shall be assessed in those cases in which the return is filed and the final tax paid within the period as extended.

D. 1. The taxpayer making a return shall, at the time of the filing thereof, pay to the Administrator the amount of taxes shown as due thereon; provided, however, that where any portion of the tax so due shall have been deducted at the source pursuant to the provisions of # 6 of this ordinance, or where any portion of said tax shall have been paid by the taxpayer pursuant to the provisions of # 7 of this ordinance, or where an income tax has been paid to another municipality, credit for the amount so paid in accordance with # 15 hereof, shall be deducted from the amount shown to be due and only the balance, if any, shall be due and payable at the time of filing said return.

E. 1. Amended returns: Where necessary an amended return must be filed in order to report additional income and pay any additional tax due, or claim a refund of tax overpaid, subject to the requirements and/or limitations contained in # 11 and 15. Such amended returns shall be on a form obtainable on request from the Administrator. A taxpayer may not change the method of accounting or apportionment of net profits after the due date for filing the original return.

2. Within three months from the final determination of any federal tax liability affecting the taxpayer's tax liability to this municipality, such taxpayer shall make and file an amended return showing income subject to the income tax of this municipality based upon such final determination of federal tax liability, and pay any additional tax shown due thereon or make claim for refund of any overpayment.

The returns shall be on a form or forms prescribed by or acceptable to the Administrator and shall be subject to the rules and regulations prescribed therefor by the Administrator. Such employer shall be liable for the payment of the tax required to be deducted and withheld, whether such taxes have in fact been withheld.

B. Such employer in collecting the tax shall be deemed to hold the same, until payment is made by such employer to this municipality, as a trustee for the benefit of this municipality and any such tax collected by such employer from his employees, shall, until the same is paid to this municipality, be deemed a trust fund in the hands of such employer.

C. On or before January 31<sup>st</sup> unless written request for 30 day extension is made and granted by the Administrator beginning with the year 1999 each employer shall file a withholding return setting forth the names and addresses of all employees from whose compensation the tax was withheld during the preceding calendar year and the amount of tax withheld from his employees and such other information as may be required by the Administrator. All payments not subject to withholding shall be reported on a form required by the Administrator.

D. The tax Administrator for good cause may require immediate returns and payments to be submitted to his office.

#### # 7. Declarations

A. Every person who anticipates any taxable income which is not subject to # 6 hereof, or who engages in any business, profession, enterprise or activity subject to the tax imposed by # 3 hereof shall file a declaration setting forth such estimated income or the estimated profit or loss from such business activity together with the estimated tax due thereon, if any; provided, however, if a person's income is wholly from wages from which the tax will be withheld and remitted to this municipality in accordance with # 6 hereof, such person need not file a declaration.

B. 1. Such declaration shall be filed on or before April 15<sup>th</sup> of each year during the life of this ordinance, or by the 15<sup>th</sup> day of the 4<sup>th</sup> month of the date the taxpayer becomes subject to tax for the first time.

2. Those taxpayers reporting on a fiscal year basis shall file a declaration within the 15<sup>th</sup> day of the 4<sup>th</sup> month after the beginning of each fiscal year or period.

C. 1. Such declaration shall be filed upon a form furnished by, or obtainable from, the Administrator, provided, however, credit shall be taken for this municipality's income tax to be withheld from any portion of such income. In accordance with the provisions of # 15 hereof, credit may be taken for tax to be paid to or to be withheld and remitted to another taxing municipality.

2. The original declaration (or any subsequent amendment thereof) may be increased or decreased on or before any subsequent quarterly payment date and provided for herein.

D. Such declaration or estimated tax to be paid this municipality shall be accompanied by a payment of at least one-fourth of the estimated annual tax and at least a similar amount shall be paid on or before the 15th day of the sixth, ninth and thirteenth months after the beginning of the taxable year. Provided, however, that in case an amended declaration has been filed, the unpaid balance shown due thereon shall be paid in equal installments on or before the remaining payment dates.

E. On or before the last day of the 15<sup>th</sup> day of the 4<sup>th</sup> month of the year following that for which such declaration or amended declaration was filed, an annual return shall be filed and any balance which may be due this municipality shall be paid therewith in accordance with the provisions of # 5 hereof.

B. Said Administrator is hereby charged with the enforcement of the provisions of this ordinance, and is hereby empowered, subject to the approval of the Board of Review, to adopt and promulgate and to enforce rules and regulations relating to any matter or thing pertaining to the collection of taxes and the administration and enforcement of the provisions of this ordinance, including provisions for the re-examination and correction of returns.

The Administrator is authorized to arrange for the payment of unpaid taxes, interest and penalties on a schedule of installment payments, when the taxpayer has proved to the Administrator that, due to certain hardship conditions, he is unable to pay the full amount of the tax due. Such authorization shall not be granted until proper returns are filed by the taxpayer for all amounts owed by him under the ordinance.

Failure to make any deferred payment when due shall cause the total unpaid amount, including penalty and interest to become payable on demand and the provisions of # 11 and 12 of the ordinance shall apply.

C. In any case where a taxpayer has failed to file a return or has filed a return which does not show the proper amount of tax due, the Administrator may determine the amount of tax appearing to be due this municipality from the taxpayer and shall send to such taxpayer a written statement showing the amount of tax so determined, together with interest and penalties

thereon, if any.

C. The refusal to produce books, papers, records and federal income tax returns, or the refusal to submit to such examination by any employer or person subject or presumed to be subject to the tax or by any officer, agent or employee of a person subject to the tax or required to withhold tax or the failure of any person to comply with the provisions of this section or with an order or subpoena of the Administrator authorized hereby shall be deemed a violation of this ordinance, punishable as provided in # 12 hereof.

D. Any information gained as a result of any returns, investigations, verifications or hearings before the Administrator, required by the ordinance or authorized by these rules and regulations, shall be confidential and no disclosure thereof shall be made except for official purposes or as ordered by a court of competent jurisdiction. Any person divulging such information shall be guilty of a misdemeanor punishable by a maximum fine of \$500 or imprisonment for not more than six months, or both. 2. For failure to remit taxes withheld from employees; five per cent per month or fraction thereof.

C. Exceptions. A penalty shall not be assessed on an additional tax assessment made by the Administrator when a return has been filed in good faith and the tax paid thereon within the time prescribed by the Administrator; and provided further, that, in the absence of fraud, neither penalty nor interest shall be assessed on any additional tax assessment resulting from a federal audit, providing an amended return is filed and the additional tax is paid within three months after final determination of the federal tax liability.

D. Upon recommendation of the Administrator, the Board of Review may abate penalty or interest, or both, or upon an appeal from the refusal of the Administrator to recommend abatement of penalty and/or interest, the Board may nevertheless abate penalty or interest, or both.

#### # 11. Collection of unpaid taxes and refunds of overpayments

A. All taxes imposed by this ordinance shall be collectible, together with any interest and penalties thereon, by a civil action at law.
