(a) Each taxpayer shall, whether or not a tax is due thereon, make and file a return on or before April 15 of each year following the effective date of this section. When the return is made for a fiscal year or other period different from the calendar year, the return shall be made within 105 days from the end of fiscal year or other period.

(b) Salem taxpayers who are retired for the entire tax year receiving only Social Security, pension, interest or dividend income, and who are not self-employed or owners of rental property, are required to file a Salem City exemption return once to identify their status. The taxpayer making the return shall, at the time of the filing thereof, pay to the Tax Administrator the amount of taxes shown as due thereon. Provided, however, that where any portion of the tax shall have been paid by such taxpayer pursuant to the provisions of Section 181.05 and/or Section 181.06 of this chapter, credit for the amount so paid shall be

(g) In the computation of any tax due under this section, a business loss of a previous tax year shall not be allowed or carried forward to reduce the tax due in any subsequent year.

(h) Within three months from the final determination of any Federal tax liability affecting the taxpayer's tax liability to the City, the taxpayer shall make and file an amended return showing income subject to the City tax, based upon the final determination of Federal tax liability, and shall pay any additional tax due or make claim for refund of any overpayment.

(j) All employers, businesses, contractors or subcontractors who do work in the City shall register with the Income Tax Department of the City and shall present thereto a list of all employees, subcontractors, contractors or others who may do work for them whose profits, wages or earnings are not presently subject to withholding of the Salem City Income Tax before they begin doing business therein. The general contractor, or owner if self-contracted, is responsible for notifying any additional contractors brought into the project after the start of the project that income tax registration is required.

(2) In the event that an unregistered contractor is discovered performing work within the city limits, the City Income Tax Department shall have the authority to stop the project until such time as contractor or contractors are in compliance. (n) Consolidated returns.

(1) Any affiliated group which files a consolidated return for federal income tax purposes pursuant to Section 1501 of the Internal Revenue Code may file a consolidated return with the City. However, once the affiliated group has elected to file a consolidated return or a separate return with the City, the affiliated group may not change their method of filing in any subsequent tax year without written approval from the City.

If the Administrator finds net profits are not properly allocated to the City by reason of transactions with stockholders or with other corporations related by stock ownership, interlocking directorates or transactions with such division, branch, factory, office, laboratory or activity or by some other method, the Administrator shall make such allocation as the Administrator deems appropriate to produce a fair and proper allocation of net profits to the City.

(o) Any business, profession, association or corporation reporting a net loss is subject to the filing requirements of this Chapter.

(p) Losses from a business cannot be used to offset wages or other types of non-business income.

If the taxes withheld by an employer for the City during the previous tax year averaged less than five hundred dollars (\$500.00) per month, payments may be made quarterly on or before the last day of the month following the end of the quarter, subject to the approval of the Tax Administrator. The Tax Administrator may revoke the approval of quarterly filing and payments whenever he has reason to believe that the conditions for granting such authorization have changed, were judged incorrectly, were not met, or when it is in the best interest of the City to do so.

(b) If the amount of the tax due is five hundred dollars (\$500.00) or greater per month, the employer shall make a return and pay to the Tax Administrator the amount of taxes so deducted on a monthly basis, due on or before the last day of the month following the month for which the taxes were withheld.

Such employer, in collecting the tax, shall be deemed to hold the same as trustee for the benefit of the City until payment is made by the employer to the City, and any such tax collected by such employer from his employee shall, until same is paid to the City, be deemed a trust fund in the hands of such employer.

(d) An officer or employee of an employer who has control or supervision of, or is charged with responsibility for withholding the City income tax and/or paying the City income withheld for employees, shall be personally liable for failure to withhold and/or to pay the City income tax withheld. (c) Declarations in the amount of one hundred dollars (\$100.00) or more shall be made as follows:

(1) If the taxpayer is an individual, the declaration shall be accompanied by a payment of at least one-fourth the estimated tax required to be paid by this section, and at least a similar amount shall be paid on or before the last day of the seventh, tenth and thirteenth months after the beginning of the taxable year; provided, however, that in case an amended declaration has been filed, the unpaid balance shown due thereon shall be paid in equal installments on or before the remaining payment dates.

(e) Should it appear that such taxpayer has paid more than the amount of tax to which the City is entitled, a refund of the amount so overpaid shall be made, or same may be applied toward the declaration of tax due for

the ensuing year. Claims for refunds shall be made on forms prescribed by and obtainable from the Tax Administrator, or on an acceptable generic form.

The credit shall not exceed the tax assessed by this chapter on such net profit, income, salary, wages, commission or compensation earned in such other municipality or municipalities where such tax is paid.

(d) In any case where a taxpayer has failed to file a return or has filed a return which does not show the proper amount of tax due, the Tax Administrator may determine the amount of tax appearing to be due the City from the taxpayer and shall send to such taxpayer a written statement showing the amount of tax so determined, together with interest and penalties thereon, if any. Such determination may be modified or amended based upon information or data subsequently secured by or made available to the Tax Administrator. If the taxpayer fails to respond to the assessment within 30 days, the tax, penalties, and interest assessed shall become due and payable and collectible as are other unpaid taxes.

(e) Subject to the consent of the Board of Review or pursuant to regulations approved by the Board, the Tax Administrator shall have the power to compromise any interest or penalty, or both, imposed by this chapter.

(f) The Tax Administrator may abate interest or penalties, or both, and upon refusal to abate interest or penalties, or both, by the Tax Administrator, the Board of Review may nevertheless abate interest or penalties, or both.

181.11 COLLECTION OF UNPAID TAXES

(a) All taxes imposed and administered by the chapter shall be collectible, together with any interest and penalties thereon, by suit, as other debts of like amount are recoverable. Except in the case of fraud, omission of twenty-five percent or more of income subject to this tax, or failure to file a return, an additional assessment shall not be made after three years from the time the return was due or filed, whichever is later. In the case of fraud, omission of 25% or more of income subject to this tax, or failure to file a return, all additional assessments shall be made and all prosecutions to recover Municipal income taxes and penalties and interest thereon shall be brought within six (6) years after the tax was due or the return was filed, whichever is later.

(b) In those cases in which the Commissioner of Internal Revenue and the taxpayer have executed a waiver of the Federal Statute of Limitations, the period within which an additional assessment may be made by the Tax Administrator shall be one year from the time of the final determination of the Federal tax liability.

(c) Payments on delinquent amounts shall be applied in the following manner:

(1) To taxes for the oldest year in which a tax liability remains unpaid, then to interest and penalty assessments remaining unpaid for that same year. Payments shall continue to be applied in this sequence until all delinquent liabilities have been satisfied.

(2) To the taxpayer's current estimated tax liability.

(d) Any amount of less than one dollar (\$1.00) shall not be collected or refunded.

181.12 ALLOCATION OF FUNDS

(a) All funds collected under the provisions of this chapter shall be deposited in the Income Tax Fund and such Fund shall be distributed in the following order, to wit:

(1) Such part thereof as shall be necessary to defray all costs of collecting the taxes and the cost of administering and enforcing the provisions hereof.

(2) Such part thereof as shall be necessary to pay:

(A) The principal of and interest on the general obligation bonds of the City as the same shall become due and payable; and

(B) The interest on the general obligation bond anticipation notes of the City as such interest shall become due and payable.

(3) Not more than eighty-five percent (80%) of the net available income tax receipts (as hereafter defined) shall be used to defray General Fund expenses of the City.

(4) The remainder of the net available income tax receipts (as hereafter defined) shall be used for capital improvements of the City, including, but not limited to, traffic control; maintenance and improvement of streets and sidewalks; new equipment for the Safety and Service Department; the payment of costs and expenses incurred in connection with the issuance of bonds or notes of the City which costs and expenses are not paid out of the proceeds from the sale of such bonds or notes; and the payment of the principal of general obligation bond anticipation notes of the City.

(b) As used in this section, net available income tax receipts means all funds collected under the provisions of this chapter less the costs of collecting such funds and the costs of administering and enforcing the provisions hereof.

181.13 BOARD OF REVIEW

(a) A Board of Review, consisting of three (3) electors of the City of Salem, one to be appointed by and serve at the pleasure of the Mayor, one to be appointed by and serve at the pleasure of the Treasurer, and the third to be

selected by the two so appointed, with such appointment to be approved by Council and who shall serve at the pleasure of Council, is hereby created. No member shall be appointed to the Board of Review who holds other public office or appointment. The members of the Board of Review shall serve without pay. Effective January 1, 2006, the Board member appointed by the Mayor shall serve a three year term, the Board member appointed by the City Treasurer shall serve a two year term, and the Board member selected by the two so appointed shall serve a one year term. At the expiration of each term that begins January 1, 2006, each subsequent term shall be three years in length.

(b) A majority of the members of the Board of Review shall constitute a quorum. The Board of Review shall adopt its own procedural rules and shall keep a record of its transactions.

(c) All hearings of the Board shall be conducted privately and the provisions of Section 181.09 with reference to the confidential character of information required to be disclosed by the chapter shall apply to such matters as may be heard before the Board of Review on appeal.

(d) At the time a decision is issued regarding an income tax obligation that is subject to an appeal, as provided in this section or in the ordinance or regulation, the Tax Administrator shall notify the taxpayer of his right to appeal the decision and of the manner in which the taxpayer may appeal the decision.

(e) Any person who is aggrieved by a decision by the Tax Administrator and who has filed the required returns or other documents pertaining to the municipal income tax obligation at issue in the decision may appeal the decision to the Board of Review by filing a request with the Board. The request shall be in writing, shall state why the decision should be deemed incorrect or unlawful, and shall be filed within thirty days after the Tax Administrator issues the decision complained of.

(f) The Board shall schedule a hearing within forty-five days after receiving the request, unless the taxpayer waives a hearing. If the taxpayer does not waive the hearing, the taxpayer may appear before the Board and may be represented by an attorney at law, certified public accountant, or other representative.

(g) The Board may affirm, reverse, or modify the Tax Administrator's decision or any part of that decision. The Board shall issue a decision on the appeal within ninety days after the Board's final hearing on the appeal, and send notice of its decision by ordinary mail to the petitioner within fifteen days after issuing the decision.

(h) Any person dissatisfied with any ruling or decision of the Board of Review may appeal therefrom to a court of competent jurisdiction as provided by law within thirty (30) calendar days from the date of the Board's ruling or decision. For matters relating to tax years beginning on or after January 1, 2004, any ruling or decision of the Board of Appeal may be appealed to a court of competent jurisdiction or to the State Board of Tax Appeals.

(i) It shall be the responsibility of the Board of Review to create, approve and adopt the rules and regulations, including all amendments and changes thereto.

This chapter shall not apply to any person, firm, corporation, or to any property as to whom or which it is beyond the power of Council to impose the tax herein provided for. If any sentence, clause, section or part of this chapter, or any tax against any individual or any of the several groups specified herein, is found to be unconstitutional, illegal or invalid, such unconstitutionality, illegality or invalidity shall affect only such sentence, clause, section or part of this chapter and shall not affect or impair any of the remaining provisions, sentences, clauses, sections or other parts of this chapter. It is hereby declared to be the intention of Council that this chapter would have been adopted had such unconstitutional, illegal or invalid sentence, clause, section or part thereof not been included herein.

181.15 EXEMPTIONS

The provisions of this chapter shall not be construed as levying a tax upon the following:

- (a) Military pay or allowance of members of the armed forces of the United States and of members of their reserve components, including the National Guard.
- (b) Poor relief, payments from pension plans, social security, unemployment compensation, and disability benefits received from private industry or local, state or federal governments, or from charitable, religious or educational organizations.
- (c) Dues, contributions and similar payments received by charitable, religious, educational or literary organizations or labor unions, lodges and similar organizations.
- (d) Receipts by bona fide charitable, religious and educational organizations and associations, when those receipts are from casual entertainment, amusements, sports events and health and welfare activities conducted by bona fide charitable, religious and educational organizations and associations.
- (e) Any association, organization, corporation, club or trust, which is exempt from federal taxes on income by reason of its charitable, religious, educational, literary, scientific, etc. purposes.
- (f) Gains from involuntary conversions, cancellations of indebtedness, interest on federal obligations, and income of a decedent's estate during the period of administration, except such income from the operation of a business.
- (g) Earnings and income of all persons under eighteen years of age, whether residents or nonresidents.
- (h) Compensatory damages for personal injuries or for damages to property by way of insurance or otherwise, but this exclusion does not apply to compensation paid for lost salaries or wages, nor to punitive damages.
- (i) Tax shall not be levied on expenses reported in accordance with federal guidelines for Federal Form 2106, subject to audit and approval by the City Division of Taxation.

(j) Parsonage allowance, to the extent of the rental allowance or rental value of a house provided as a part of an ordained minister's compensation. The minister must be duly ordained, commissioned, or licensed by a religious body constituting a church or church denomination, and must have authority to perform all sacraments of the church.

(k) Compensation paid under Section 3501.28 or 3501.36 of the Ohio Revised Code to a person serving as a precinct official, to the extent that such compensation does not exceed one thousand dollars (\$1,000) annually.

(l) Income, salaries, wages, commissions and other compensations and net profits, the taxation of which is prohibited by the Constitution of the State of Ohio or any act of the Ohio General Assembly limiting the power of a municipality to impose net income taxes.

(m) Income, salaries, wages, commissions and other compensation and net profits, the taxation of which is prohibited by the United States Constitution or any act of Congress limiting the power of the states or their political subdivisions to impose net income taxes on income derived from interstate commerce.

181.16 REFUNDS

(a) Should it appear that any taxpayer has paid more than the amount of the tax to which the City is entitled under the provisions of this chapter, a refund or credit of the amount so overpaid shall be made, provided a proper claim for refund of such overpayment of tax has been filed by the taxpayer within three years of the due date or filing date of the tax return, whichever is later. However, the following shall apply regarding refunds of tax withheld from non-qualified deferred compensation plans (NDCP):

(1) A taxpayer may be eligible for a refund if the taxpayer has suffered a loss from a NDCP. The loss will be considered sustained only in the taxable year in which the taxpayer receives the final distribution of money and property pursuant to the NDCP. Full loss is sustained if no distribution of money and property will be made by the NDCP.

(2) A taxpayer who receives income as a result of payments from a NDCP, and that income is less than the amount of income deferred to the NDCP and upon which municipal tax was withheld, then a refund will be issued on the amount representing the difference between the deferred income that was taxed and the income received from the NDCP. If different tax rates applied to the tax years in which deferrals, a weighted average of the different tax rates will be used to compute the refund amount.

(3) Refunds shall be allowed only if the loss is attributable to the bankruptcy of the employer who had established the NDCP, or the employee's failure or inability to satisfy all of the employer's terms and conditions necessary to receive the nonqualified compensation.

(b) Income tax that has been deposited with the City of Salem, but should have been deposited with another municipality, is allowable by the City of Salem as a refund but is subject to the three-year limitation on refunds.

Income tax that should have been deposited with the City of Salem, but was deposited with another municipality, shall be subject to recovery by the City of Salem. The City of Salem will allow a non-refundable credit for any amount owed the City of Salem that is in excess of the amount to be refunded by the other municipality, as long as the tax rate of the other municipality is the same or higher than the City of Salem's tax rate. If the City of Salem's tax rate is higher, the tax representing the net difference of the rates is also subject to collection by the City of Salem.

(c) Overpayments of withheld tax that have resulted due to incorrect withholding of an employee by an employer, and are not due as a result of excess withholding requested by the employee, shall be refunded to the employer. It shall be the responsibility of the employer, and not the Municipality, to refund such overpayment to the employee. However, nothing in this subparagraph shall affect the right of a nonresident employee to apply directly to the Municipality for refund of income tax withheld for days worked out of Salem.

181.17 EFFECTIVE PERIOD

This chapter shall continue effective insofar as the levy of taxes is concerned until repealed, and insofar as the collection of taxes levied hereunder, and actions or proceedings for collecting any tax so levied, or enforcing any provisions of this chapter are concerned, shall continue effective until all of such taxes levied hereunder are fully paid and any and all suits and prosecutions for the collection of such taxes or for the punishment of violations of this chapter shall have been fully terminated.

181.99 PENALTY

- (8) Failing to comply with the provisions of this chapter of any order or subpoena of the Tax Administrator authorized hereby; or

(9) Attempting to do anything whatever to avoid the payment of the whole or any part of the tax, penalties or interest imposed by this chapter.

(b) Whoever violates any of the provisions of subsection (a) hereof shall be guilty of a misdemeanor and shall be fined not more than five hundred dollars (\$500.00) or imprisoned not more than six months or both, for each offense.

(c) All prosecutions under this section must be commenced within three years from the time of the offense complained of, except in the case of failure to file a return or in the case of filing a false or fraudulent return, or failure to include twenty-five percent or more of income, in which cases the limitation of time within which prosecution must be commenced shall be six years from the date the return was due or the date the false or fraudulent return was filed.

(d) The failure of any employer or taxpayer or person to receive or procure a return, declaration or other required form shall not excuse him from making any information return or declaration, from filing such form, or from paying the tax.
