Who is required to file Form 11?

It is the duty of each employer doing business within any RITA municipality who employs one or more persons on a salary, wage, commission, or other such compensation basis subject to a municipality's income tax ordinance to deduct the tax due each time compensation is paid to an employee. If there are no wages to report, you are required to file a zero return.

What is Taxable?

Earnings subject to municipal income tax include, but are not limited to: Wages, salaries, commissions, and fees (except when paid to independent contractors), bonuses and incentive payments, tips, employer supplemental unemployment pay (sub pay), vacation, holiday, and sick pay. Payments made to an employee by an employer as dismissal or severance pay or under an early retirement incentive plan, or wage continuation plan during periods of disability or sickness are also taxable. These earnings are apportioned in the same ratio as regular wages if the employee works in more than one municipality. Employee contributions to retirement plans, compensation attributable to a nonqualified deferred compensation plan, or any compensation related to the sale, exchange, or other disposition of stock options or stock purchased under a stock option are not excludable. There are municipalities that have exceptions to these rules - go to [Stock Options and Non-Qualified Deferred Compensation](#) at ritaohio.com for a list of municipalities that exempt stock option income from withholding and municipalities that exempt nonqualified deferred compensation described in IRC § 3121 (v)(2)(C). Compensation attributable to a Section 125 "Cafeteria" plan is not taxable by any Ohio municipality. Each municipality may have a requirement for withholding on employees under the age of 18 or other specific requirements. Go to ritaohio.com and select the RITA Municipalities link for specific items that may apply to a Member municipality or JEDD/JEDZ/Enterprise Zone.

Amending Originally Filed Form 11

If you have discovered an error on a previously filed Form 11, you are required to make the correction using Form 11A. A separate form 11A must be filed for each period reflecting only the municipalities that are affected. For example: If you file Form 11 on a monthly basis, you will need to submit a Form 11A for each month affected. Likewise for quarterly filers. However, if you file on a semi-monthly basis, your amended Form 11A's must reflect the total for the entire month.

Note: Overpayments cannot be credited to the next tax year and must be refunded. Amounts under \$10.01 will not be refunded.

Annual Reconciliation

An annual Reconciliation of Income Tax Withheld (Form 17) is required to be filed, and is due the last day of February following the calendar year. The reconciliation should reflect amounts indicated on the W-2 and 1099-NEC forms. If amended Form 11(s) are filed, the Form 17 should reflect any information amended throughout the year. Corrected W-2 forms must also be filed, if applicable.

Penalty, Interest, and Late Filing

If a form / payment is not postmarked by the return's due date, the employer will be subject to penalty and interest charges as required by the respective municipal income tax ordinance.

Other Fees

A fee will be charged to your account for a dishonored check or a check / electronic debit that cannot be processed. RITA may choose to redeposit your returned item electronically. Additionally, you understand and agree that we may collect a returned item processing fee as allowed by state law. Electronic filers assume all responsibility for the accuracy of the information submitted and are, therefore, subject to any fees described above for any errors.

Business Changes and Updates

If your business has closed: If you have closed your business, you must file final Forms 11 and 17 with W-2 and 1099-NEC forms. You must also notify RITA in writing under a separate cover letter including a brief explanation, for example: ("Closed business on mm/dd/yy", "Ceased RITA operations on mm/dd/yy", "No employees after mm/dd/yy", or "Merged with another company on mm/dd/yy"). Also include the federal identification number(s), a contact name, and phone number. If you decide at a later date to reopen your RITA location or hire employees in a RITA municipality, please call RITA's office and request that your withholding account be re-activated.

Changes to Name, Address, FEIN and Filing Frequency: If your mailing address, federal identification number, company name, or quarterly / monthly filing requirements have changed, please provide the updated information under separate cover letter including a brief explanation of the change. Please also include the applicable FEIN(s), contact name, and phone number.

If you received a preprinted Form 11 and your mailing address, FEIN, company name, or filing requirements have changed from that shown on the preprinted Form 11, complete the enclosed Change Notice Form and return it to RITA as soon as possible.

REQUIREMENTS FOR ALL MUNICIPALITIES

Withholding Due Dates and Thresholds

Monthly filing and payment is required if an employer has withheld with respect to a municipality more than \$2,399 in the immediately preceding calendar year, or more than \$200 in any one month in the immediately preceding calendar quarter. The due date for Monthly filers is the 15th day of the month following the month withheld.

Quarterly filing and payment is required if an employer has withheld with respect to a municipality \$2,399 or less in the immediately preceding calendar year, or \$200 or less for each month in the immediately preceding calendar quarter. All employers not required to file monthly (or semi-monthly), file quarterly – the due date is the last day of the month following the end of the quarter.

Semi-monthly withholding MAY BE REQUIRED by a municipality if an employer has withheld \$12,000 or more in the immediately preceding calendar year with respect to a municipality, or more than \$1,000 in any month of the immediately preceding quarter with respect to that same municipality. The due date for Semi-monthly filers is 3 banking days after the 15th of the month, and 3 banking days after the end of each month. Please go to ritaohio.com/Businesses/Home/SemiMonthlyFilers for a list of municipalities with semi-monthly filing requirements.

Occasional Entrant Provisions

Tax must be withheld for the employee's "principal place of work" as defined in Ohio Revised Code section 718 ("ORC 718") for the first 20 days an employee works in another Ohio municipality ("non-principal place of work municipality"). Withholding is required for the "non-principal place of work municipality" beginning on the 21st day. Exceptions to the 20-day rule exist for certain construction and other long-term worksite locations.

Small employers (those with less than \$500,000 in annual gross receipts as defined in ORC 718) are only required to withhold for the municipality in which the employer is physically located. The \$500,000 gross receipts threshold is determined annually based on gross receipts reported on the immediately preceding year's federal tax return. The "small employer withholding rule" does not apply to any government entity or agency.

Qualifying Wages "Third-party sick pay" as defined in ORC 718 is exempt from withholding and from taxation. "Clergy Wages" that are exempt from federal FICA/Medicare withholding are required to be included in Qualifying Wages and are subject to tax.
