Tax Collection & Administration,
Serving Taxpayers & Local
Governments **Since 1971***

10/13/2026

The Regional Income Tax Agency (RITA) is requesting quotes for **Datacenter Equipment**. This Request for Quote (RFQ) is being issued to obtain competitive pricing through a public bidding process in accordance with applicable procurement requirements.

Quotes are to be submitted electronically to **RFP-IS@ritaohio.com** no later than **12:00PM EST on 10/30/2026**.

Questions or requests for clarification may be submitted to **John Evans** until **5:00PM on 10/23/2026**. A compiled list of all questions and answers may be shared with all participating vendors as deemed appropriate by the Agency.

Please be aware that the Agency reserves the right to reject all proposals, or any part of any proposal, or to waive informalities or defects in proposals, as the Board of Trustees of the Agency deems to be in the best interests of the Agency.

Cordially,

Amy L. Arrighi
Executive Director

RFQ Overview

The Regional Income Tax Agency (RITA) is a governmental entity established to administer and collect local income taxes for over 450 taxing jurisdictions throughout Ohio. As part of ongoing operations, the Agency intends to procure various datacenter equipment to replace aged equipment and increase capacity.

This RFQ is focused solely on obtaining pricing and availability. No confidential system information will be shared, and no NDA is required to participate.

Equipment Specifications and Quantities

Vendors shall provide itemized pricing and availability for the following equipment. Equivalent models may be proposed only if they meet or exceed all listed specifications and are identified clearly.
